CABLE REPAIRED.
Block Island Again in Telegraph Communication with Mainland.
After being practically isolated 23 days, persons on Block Island were again placed in communication with the rest of the world when the government cable was placed in working order shortly after noon Saturday. The cable was broken by the anchor of a schooner nearly a month ago, and since that time the army cable boat Cyrus W. Field has been at work grappling it, the severed cable and applying it. The cable contains, in addition to the government wires, those of telegraph and telephone companies. The only other way of communication with the island is by wireless. During the past month the wireless station here has been working badly.

Crowley, L.L.D., of New London, \$1,000; Rev. John Neale, L.L.D., of Westerly, \$1,000.

Senator Walmore has introduced a bill providing for the erection of a keeper's dwelling, the transfer of the fog signal to a more suitable point, and general improvement to the light station at Great Salt pond, Block Island.

Simple Remedy for Kidneys
The following prescription is known to be one of the most effective obtainable for quick relief and permanent restoration of the kidneys and bladder: "Half ounce fluid extract Sarsaparilla; one ounce Muxra compound; six ounces of good gin. Take one to two teaspoonfuls after each meal and at bed time." Any druggist can mix or furnish the ingredients of this prescription.
Pain in the back, rheumatic pains, frequent and scanty urination, and pains in groin are nature's warnings that the kidneys are deranged, and should have immediate attention, or serious illness, such as Bright's disease or diabetes, are likely to follow.

LADIES' AUXILIARY, A. O. H.
HAS OFFICERS INSTALLED.
Big Gathering for the Afternoon When County President Performs Work.

With county officers present as well as visitors from the New London auxiliary and Division No. 1 and 2 of this city, the Norwich Ladies' auxiliary, A. O. H., held a most interesting and special meeting on Sunday afternoon at 4 o'clock at Hibernian hall.
The membership of the auxiliary was increased by the initiation of nine new members, and the following officers for the current term were installed by Mrs. Annie T. Hanley of New London, the county president: President, Mrs. Mary L. Silney; vice president, Miss Bessie Swanton; recording secretary, Miss Catherine Silney; financial secretary, Mrs. D. J. Moran; treasurer, Mrs. A. A. Brock; sergeant at arms, Mrs. M. Curley; and sentinel, Miss Catherine Brennan.
The state president, Miss Malloy, of New Haven, had been expected, but was unable to attend. After the work and installation, pleasing remarks were made by the county president, Mrs. Hanley, by Rev. C. T. McClann of Norwich town, by John P. Murphy, president of the First division, and by John Brady, recording secretary of the Second division. Mrs. A. A. Brock, county vice president, Patrick Barry, Mrs. Rowley of New London, and others, presided by Mrs. T. Donovan and a recitation by Mrs. M. Curley also entertained the members. The ladies of the auxiliary were reminded of the Hibernian county class initiation which is to be held in this city in March, and were assured that they would be invited for that occasion.
Light refreshments were served, one of the decorative features of the table being a cake frosted in white and green by Miss Higgins, which won commendation not only for its decorative quality, but also for its satisfying taste. The bill for the fare.

TAFTEVILLE AFFAIRS.
Football Club Celebrates Winning of Sterling Cup—Notes.
The Taftville F. C. wound up a successful season with a banquet in Lincolnton hall on Saturday evening. Covers were laid for fifty, and Chief Harrier supplied the following menu, which was excellently served:
Tomato soup, saltines, Parker House rolls, escalloped corn, creamed potatoes, chicken patties, cold ham, cold corned beef, Waldorf salad, crackers and cheese, coffee, cigars.
After clearing the passed Manager Walker took the chair and gave a brief outline of the history of the club. He called upon Reed MacIntyre, who told of interesting things regarding the organization of the club, and also some of his experiences as a referee. Captain Finlayson then spoke on the possibilities of the league, and the future of the club. The six-team league would be possible next fall. He was followed by William Brown, the veteran of the team, who told of the history of the club the year. The Sterling cup adorned the head of the table. A fine programme was then carried out, the songs by Buckley of Taftville being especially pleasing. Mr. Brown sang some comic songs which were greatly appreciated. The festivities continued till a late hour. All had a fine time.

Maennerchor Masquerade.
There was a large attendance at the sixteenth annual masquerade given by the Maennerchor society Saturday evening in Maennerchor hall. The occasion was an enjoyable one for all present.

SHELTERING ARMS SERVICE
Furnished by Rev. P. C. Wright and Choir of Central Baptist Church.
A large number was present at the Sheltering Arms service Sunday afternoon in charge of Rev. P. C. Wright, pastor of the Central Baptist church. He took for his subject, The Appeal of Life, and for the text, And seeing the multitude, Jesus spoke to His disciples of the multitude in His thought. He looked at him and saw his temptations, saw his heavy loads, saw his sorrows, and the power needed to bear them sweetly, strongly, unconquarably. He sought to move our hearts—the condition of those about us. As we touch for good the lives of others, we may know the Christ.
The singing of the male quartette was a joy to those that listened. They were heard in three selections: Oh, Zion, That Bringest Good Tidings; and
